## Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: Since Applicants hereby affirm that a Terminal Disclaimer will be filed once the later of the two pending applications (present application and 09/988,391) is in condition for allowance, the rejection of claims 1, 24, and 6-14 under the judicially created doctrine of obviousness type double patenting as set forth in the previous office action is now withdrawn. Turning to the prior art rejection, claims 1, 2-14 have been found to be allowable since the arguments presented by the applicants in the Amendment filed November 14, 2003 are newly presented arguments and the Examiner has found these newly presented arguments persuasive. For example, see paragraph 5 of page 5, through paragraph 1 of page 6 of the Remarks.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
